

**Westfields Healing Arts Gallery**  
The arts can lift our spirits and inspire us when we are anxious or stressed. That's why Westfields has partnered with The Phipps Center for the Arts in Hudson to bring the work of regional artists to our campus. Exhibits change four times a year to showcase new art and artists.

If you wish to exhibit your art at Westfields, please contact our Healing Arts Coordinator Chelsea Long via email: Chelsea.k.long@westfieldshospital.com.

**Meditation**  
A meditation room is available to patients, families, ministers and staff members of all religious faiths and spiritual traditions. It is located near our inpatient unit by the waiting area. The door is always open.

**Gardens**

- The Healing Garden is a specialized area of the hospital designed to help you relax and unwind. It includes a walking path that travels around a small 'pond'. Benches are also available to sit and enjoy the outdoor weather and beautiful scenery.
- The Journey Garden is located west of the Cancer Center of Western Wisconsin and can be seen from our chemotherapy infusion area. It is accessible to the public via a walking path.
